Subject: AISEE Video Conference to Discuss White Papers and Recommendations

When: Tuesday, May 21, 2013 9:00 AM-1:00 PM (GMT-07:00) Mountain Time (US & Canada).

Where: TBD

Dear AISEE participant,

Attached are the draft final white papers from each technical workgroup. Thanks to the co-chairs for coordinating and in some cases drafting much of the language for the white papers. Please make every effort to read through all the drafts prior to our May 21st meeting. We are expecting a roughly 30 minute time period to discuss each draft (see attached draft agenda). Each set of workgroup co-chairs should provide a very brief (10 minute or less) overview of the paper, take home messages and any issues they would like to raise at the beginning of the discussion. This will allow us maximum time for dialogue on

each of the white papers. Please note that the communications workgroup has been transitioned to a headquarters team, so Michelle and Angela will provide a very short overview of the communications effort at the beginning of the meeting. The papers can also be found on our O: drive site at

<\\Aa\ord\ORD\data\priv\AISEE>

As a reminder, the video conference is scheduled for May 21st from 11am to 3pm Eastern Daylight Time. You should have received a calendar invitation from me a couple weeks ago. Below is a list of the sites we have confirmed for the video conference. Please contact me with any questions.

Thanks,

Gene

Site	Room Number	Video or Phone #	Contact	Phone	
Region 6 - Dallas, TX	Water Division Director's conference room (the Red River Conference Room)	R6 water VTC unit 2146658160@epa.gov	Mike Boyer	214-665-8105	Boyer.Michael@epa.gov

Draft Agenda

Sampling & Field Activities

Lab Analyses

Quality Assurance

Action Levels

Data Management

Communications

Hello, this meeting request is to block off time on your calendar next month for a video conference to discuss Ad Hoc Implementation Subcommittee on Energy Extraction (AISEE) issues. Please note that the meeting times are Eastern Daylight Time. Per Jennifer Orme-Zavaleta's April 2 email, we will meet next month to discuss the draft white papers from each technical workgroup. As a reminder, workgroup co-chairs should plan to submit their white papers to Jennifer and Ron by May 1st. We may not use all the time reserved for this meeting, but I just wanted to get it on your calendar. I will be contacting folks from your organizations to try to set up rooms and video units.

Thanks
